

RoHS Certificate of Compliance

Allied Components International hereby declares all of our products are in compliance with the 2011/65/EU (RoHS Recast, otherwise known as RoHS 2) directive and require no exemptions.

RoHS2 is an updated/recast version of RoHS. There are no additions to or differences in the six restricted substances, as can be viewed in table below.

Substance	Permissible limit (by weight)
Pb	<= 1000ppm (0.1%)
Cd	<= 100ppm (0.01%)
Hg	<= 1000ppm (0.1%)
Cr6+	<= 1000ppm (0.1%)
PBBs	<= 1000ppm (0.1%)
PBDEs	<= 1000ppm (0.1%)
